

GKM Consultants Inc.

Terms of Sales - Warranty

General Information

All prices shown are F.O.B. Sainte-Julie, Quebec, Canada and are for merchandise packaged for shipment by domestic carriers within the continental limits of North America. Special packaging for export air or sea freights are extra-charged items. Freight charges will be prepaid by GKM Consultants Inc. and charges invoiced to the purchaser at their actual amount.

Terms

Domestic shipments are payable: net 30 days. (First order: payment in advance at time of order)

A monthly service charge of 1.5% (18% APR) will be added on all past due balances.

Export shipments will be made only:

- 1) After receipt of irrevocable letter of credit.
- 2) Or by payment in advance.
- 3) Or by special prior arrangement with GKM Consultants Inc.

Quotations

All GKM Consultants Inc. quotations are firm for 30 days. Thereafter, they are subject to change without notice.

Errors, Shortages, Complaints

All shipments should be opened immediately on delivery and the contents checked against the packing list sent with the shipment.

GKM Consultants Inc. exercises due care to avoid errors and shortages. However, where errors and shortages do occur, they should be reported within 10 days of receipt of the equipment. Where errors are the fault of GKM Consultants Inc., they will be rectified without delay.

Responsibility and Risk

GKM Consultants Inc.'s responsibility for merchandise damaged in transit ceases when the merchandise has been delivered to the carrier for shipment and a valid receipt obtained. Claims for damage in transit are to be made with the carrier, and damaged containers or other evidence of rough handling should be noted at the time of receipt, and the containers retained until the claim is resolved.

Delay Damages

Client agrees to hold harmless GKM Consultants from liability or responsibility for any delay damages, or time-related penalties arising from the work, including, but not limited to, liquidated damages, direct damages, indirect damages, consequential damages, acceleration, overtime, extended overhead, and other delays related damages.

Returned Merchandise

Equipment is not to be returned without first contacting GKM Consultants Inc. and obtaining its consent. All approved returns must be packaged to prevent damage, insured and returned prepaid. Returned standard equipment is subject to a restocking fee of at least 25%. For custom-built equipment for which return has been authorized, restocking fee will be determined on a case-by-case basis.

Taxes and Import Duties

All destination taxes, duties, importation fees and importation documentation expenses are to be paid by the purchaser, unless specific provisions to the contrary are made at the time the order is placed.

Changes and Improvements

All equipment described in GKM Consultants Inc. catalogues is subject to modification and improvement as may be dictated by subsequent developments. Accordingly, we reserve the right to change and improve items, to discontinue listings and to add new ones without notice.

Rental Policy

Some equipment is available for rent. Please contact GKM Consultants directly for more information.

Rental with Option to Purchase

Repairs

All items returned for repair, both warranty and non-warranty, must have an officially issued Return Authorization (RA) number and a Health and Safety Clearance form. Please contact GKM Consultants Inc. directly for more information and to initiate the Return Authorization process. The hourly rate for non-warranty repair is as per the proposal or quotation. Non-warranty repair should be accompanied by a purchase order to authorize the work. GKM Consultants Inc. will not accept, nor work on, returns that are lacking.

Return Authorization numbers or unsigned Health and Safety Clearance forms. All returns for repair must be sent with shipping prepaid. All repairs are subject to the terms and conditions of the following warranty statement.

Warranty Statement

GKM Consultants Inc. warrants its products to be free of defects in materials and workmanship, under normal use and service for a period of 13 months from the date of purchase. If the unit should malfunction, it must be returned to the factory for evaluation. Upon examination by GKM Consultants Inc., if the unit is found to be defective, it will be repaired or replaced at no charge. However, the WARRANTY is VOID if the unit shows evidence of having been tampered with or shows evidence of being damaged as a result of excessive corrosion or current, heat, moisture or vibration, improper specification, misapplication, misuse or other operating conditions outside of GKM Consultants' control. Components which wear or which are damaged by misuse are not warranted. This includes fuses and batteries.

GKM Consultants Inc. distributes scientific instruments whose misuse is potentially dangerous. The instruments are intended to be installed and used only by qualified personnel. There are no warranties except as stated herein. There are no other warranties, expressed or implied, including but not limited to the implied warranties of merchantability and of fitness for a particular purpose. GKM Consultants Inc. is not responsible for any damages or losses caused to other equipment, whether direct, indirect, incidental, special, or consequential which the purchaser may experience as a result of the installation or use of the product. The buyer's sole remedy for any breach of this agreement by GKM Consultants Inc. or any breach of any warranty by GKM Consultants Inc. shall not exceed the purchase price paid by the purchaser to GKM Consultants Inc. for the unit or units, or equipment directly affected by such breach. Under no circumstances will GKM Consultants Inc. reimburse the claimant for loss incurred in removing and/or reinstalling equipment.

Every precaution for accuracy has been taken in the preparation of manuals and/or software; however, GKM Consultants Inc. neither assumes responsibility for any omissions or errors that may appear nor assumes liability for any damages or losses that result from the use of the products in accordance with the information contained in the manual or software.
